EXPERIENCE

Jan 2020
Nov 2023

UNITY DEVELOPER
Ilikeit.SA | Panama

I developed an augmented reality app focused on interactive experiences, participating in the design, implementation, and testing using technologies such as Unity and AR Foundation.

Dec 2023
Feb 2024

WEB DEVELOPER
Corporacion Rey | Panama

I developed internal web applications using Blazor and .NET, focusing on optimizing business processes and improving user experience with dynamic and scalable solutions.

Mar 2024
Nov 2024

UNREAL DEVELOPER
professional service | Panama

I designed and developed interactive maps for Fortnite using Unreal Editor for Fortnite (UEFN), combining scripting with Verse, level design, and custom mechanics to create immersive experiences.

Dec 2024
Present

QA DEVELOPER
Money Free Flex | Panama

I performed functional and usability testing to ensure software quality, documenting bugs, creating test cases, and collaborating with the development team to deliver stable and error-free releases.

EDUCATION

Jan 2006
Dec 2016

BACHELOR OF SCIENCE
Instituto Bilingue Eliel | Panama

Jan 2017
Dec 2021

BACHELOR'S DEGREE IN GAME DEVELOPMENT
Universidad Interamericana de Puerto Rico | Panama

Jan 2020
Present

BACHELOR'S DEGREE IN SOFTWARE DEVELOPMENT
Universidad Tecnologica de Pananama | Panama

OBJECTIVE

Software and video game developer with experience in multiple technologies such as Unity, UEFN, Blazor (.NET), and QA tools. I'm passionate about creating digital experiences that combine innovation and functionality from augmented reality apps to interactive Fortnite maps. I adapt quickly, work well in teams, and have a strong focus on the quality of the final product.
